<sup>+</sup> This date indicates the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered.

<sup>++</sup> Reports sent by registered or certified mail must be postmarked by the mailing date. Committees should keep the mailing receipt with its postmark as proof of filing. If using overnight mail, the delivery service must receive the report by the mailing date. "Overnight mail" means an overnight service with an on-line tracking system and scheduled for next business day delivery. Reports filed by any other means must be received by the Commission (or Secretary of the Senate for Senate committees) by the filing date.

1 The mailing date is the same as the filing date because the computed mail date would fall one day before the primary/general is held.

2 Notice that the registered/certified & overnight mailing date falls on a weekend or federal holiday. The report should be postmarked before that date.

3 The July Quarterly Report is waived for committees filing the Georgia, Kansas, Michigan, Missouri and Oklahoma Pre-Primary Reports. See 11 CFR 104.5(a)(1)(iii) and (c)(1)(i)(C).

4 The Year End Report is waived for committees filing the Illinois and Maryland Pre-Primary Reports. See 11 CFR 104.5(a)(1)(iii) and (c)(1)(i)(C).

5 The April Quarterly Report is waived for committees filing the Indiana, North Carolina and Pennsylvania Pre-Primary Reports. See 11 CFR 104.5(a)(1)(iii) and (c)(1)(i)(C).

6 Notice that this deadline falls on a weekend or federal holiday. Filing dates are not extended for weekends or holidays. Reports filed on paper or 3.5" diskette must be received by the appropriate filing office(s) the Friday before the filing date.
